ADAPT A RACK

ADAPT-A-RACK The future of cross merchandising!

Retailers will appreciate the ability to cross merchandise ranges of products!

Brands will love the ability to place a variety of their products on the one display!

The Adapt-A-Rack caters for everything from folded shirts and shorts, to hanging shirts, jewelry, shoes, bags, hats and more!

With the ability to cross merchandise retailers are no longer forced to separate complementary lines. The Adapt-A-Rack also has the added feature of being easily moved and resized if a 'less or more' approach is required.
