SF300

ACCESSORIES

SLIPPER PALLETS

550/450mm² steel. Use as base plate extension. Ideal for drums large gas bottles, boxes etc

DRUM HANDLE

Enables one person to load 205lt drums of lubricants or fuels onto the Twin Handle Trolley.

The Tilt Easy Pivoting Axle

Simply click one of these small black levers to trigger the easy tilt pivoting axle

These hand trucks feature the Tilt Easy pivoting axle. A load of 300kg feels equal to a load of only 120 kgs. Centre of gravity change also means loads are better balanced and much easier to wheel.

SPECIFICATIONS

WHEELS
