

Multi-Bay

perfect for bulk storage

Multi-Bays fixed floor-track system caters for uneven floor surfaces. It is ideal for the bulk storage of any regularly accessed item in the office, back of house in a retail area, library, warehouse or small archive.

Application

Ideal for bulk storage in the office and "back-of-house" in retail outlets.

Shelf Carrying Capacity	30mm Shelf up to 130kg With stiffeners 240kgs
Shelf Pitch	25mm

Features

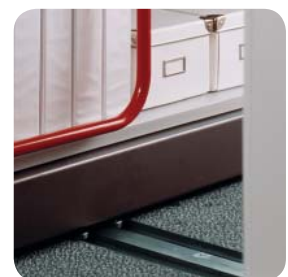

Carry Greater Loads

Multi-Bay carries significantly greater loads due to its strong and rigid track and base system. Its bolt-together construction means a variety of lengths are available enhancing the systems flexibility and modularity.

Ergonomic Safety

The ergonomic designed hand wheel on Multi-Bay provides a safe means for operating the unit. All drive mechanisms are concealed behind the units finishing panels.

Safe and Solid Platform

Multi-Bay is fitted with an infill floor between the tracks to provide a safe and solid working platform. The infill platform is met by a "walk-up" ramp. Carpet floor coverings can be relaid over the timber.

Multi-Bay accessories

Finishing Panels

Add on Frame Finishing Panels, Rear Covers and Top Extrusions provide a clean smart finish

Binning Dividers

Create pigeon holes with bright silver binning dividers.

Bin Front/Back Stops

Bin front/back stops bolted to front or rear face of shelf to secure items.

Files and Labels

A complete range of files, labels and fasteners are available.

Shelf Divider

Slotted shelf secures shelf dividers.

Shelf Bins

Create 'drawer like' access or small parts storage.

Coat Rail

Coat rail for clothes and other hanging devices.

Dust Cover

Dust covers can be bolted to the top shelf to minimise dust penetration.

Suspension Filing Drawer

Suspension filing drawer is designed to suit drop-in suspension files.

Pull-Out Reference Shelf

Pull-out reference shelves provide an instant work top.

Suspended Filing Rack

Suspended filing rack simply slips to support files and promotes longer lateral file life.

Suspended Divider/ Lateral Pockets

Unique shelf design for suspended dividers and lateral pockets.
